Intrigue Silk Metal Slot

An unbeatable combination of strength and beauty, Intrigue Metal Slot brackets will forever change your perspective on ceramic bracket performance.

• Polycrystalline cultured alumina bracket that offers the highest combination of translucency

• Maximum tie wing strength

• Smooth & Comfortable for your patient

• Fast accurate placement

• Color Coded ID marks

• Low Profile Bracket

• The metal slot reduces friction and increases sliding mechanics as well as increasing the strength of the bracket.

• **DON'T NEED SPECIFIC DEBONDING INSTRUMENT**

Order up 2 cases @ \$110/case
